LB 130, 769

SENATOR WARNER: Mr. President, I move that LB 769 be advanced to E & R, as indicated, the salary bill for the judicial and executive branch of government. I move its advancement.

SPEAKER BARRETT: You have heard the motion to advance the bill, as amended. Discussion? If not, those in favor of the motion, please vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of 769.

SPEAKER BARRETT: LB 769 is advanced. LB 130.

CLERK: LB 130, Mr. President, introduced by Senator Warner. (Read title.) The bill was introduced on January 9 of this year, referred to the Appropriations Committee, advanced to General File. I have committee amendments pending by the Appropriations Committee, Mr. President.

SPEAKER BARRETT: Senator Warner, on the committee amendments.

SENATOR WARNER: Mr. President, the committee amendment merely adds the emergency clause to the bill. The bill is essentially corrective, technical in nature. Existing law, as you all recall, required a 3 to 7 percent reserve to be utilized at the time the budget is enacted in the current law for the next succeeding fiscal years and to make it clear that with the biennial budget the new language merely says for the biennium for which the appropriations are made. I would move adoption of the committee amendment. It adds the emergency clause.

SPEAKER BARRETT: Discussion on the adoption of the committee amendments? If not, those in favor vote aye, opposed nay. Voting on the committee amendments. Please record.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments, Mr. President.

SPEAKER BARRETT: The committee amendments are adopted. Anything on the bill, Senator Warner?

SENATOR WARNER: Mr. President, I would move the bill be advanced. I think I have already explained it.
